Competitive Skills Scholarship Program (CSSP) High Wage/In Demand Approved Occupations List (recommended and approved 9/13/2024)

High-Wage-In-Demand Criteria and Explanatory Notes

- 1. In Demand means the occupation is expected to have over 20 openings per year between 2022 and 2032.
- 2. High-Wage occupations are those which have a median wage at or above the median wage for all occupations. High Wage in Maine is a median wage at or above \$22.88 per hour/\$47,590 annually in 2023.
- 3. <u>CSSP rules</u> allow trainees to use scholarship funds for up to a bachelor's degree.
- 4. Occupations marked with an asterisk (*) have been added via petition process, as defined in the CSSP rules.
- 5. Occupations with "N/A" under Hourly Wage tend to be contracted/partial-year occupations that are better represented by listing the Annual Wage. These would typically be educators or those who work in a school system.
- 6. Entry wage is defined as the mean wage of the lower one-third of the distribution for the occupation.

Source: Maine Department of Labor, Center for Workforce Research and Information, 2022-2032 Occupational Employment Projections, and 2023 Occupational Employment and Wage Estimates for Maine, Table created 8/19/24.

CSSP approved occupations are separated into **Job Families** (groups of related jobs) in the chart below. To find an occupation, you can click and hold CTRL and F, then type the occupation's name in the "Find" box. Or- click a Job Family below to jump to related occupations.

- Management
- Business and Financial Management
- Computer and Mathematical
- Architecture & Engineering
- Life, Physical, and Social Science
- Community and Social Service
- Legal
- Educational Instruction and Library
- Arts, Design, Entertainment, Sports, and Media
- Healthcare Practitioners and Technical
- Healthcare Support

- Protective Service
- Food Preparation and Serving
- Building and Grounds Cleaning and Maintenance
- Personal Care and Service
- Sales and Related
- Office and Administrative Support
- Construction and Extraction
- Architecture & Construction
- Installation, Maintenance, and Repair
- Production
- Transportation and Material Moving
