

Are you 55+ and facing financial hardship while looking to re-enter the workforce?

Does your organization need extra hands to get work done?

If the answer is yes, join us for an informational session to learn how the SCSEP program can help.

Informational Session

Discover how the Senior Community Service Employment Program (SCSEP), a unique paid internship program, helps low-income, unemployed adults age 55+ build skills, gain experience, and connect with meaningful job opportunities in their communities.

When:

Thursday, December 4, 2025, 3:30 pm

Where:

Lewiston Public Library
200 Lisbon Street, Lewiston ME

About the Event:

- Learn how SCSEP helps older adults with barriers to employment gain job skills through community service assignments.
- Discover how local organizations can become host agencies and strengthen Maine's workforce through partnership.
